2017

- Cabrera, N. (2017, September). *Fathers (and mothers) and children's development: Evidence from early to middle childhood*. Invited presentation at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Cain, C., Dugan, M., Lopez, K. K., & Greeley, C. (2017, September). *Texas Children's Hospital upWORDS: Baby more than just words*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Carta, J. J., Walker, D., Greenwood, C. R., Schnitz, A. G. W., A, & The Leadership Team. (2017, September). *Bridging the word gap research network*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Coady, J. A., Wiggin, M., Sedey, A. L., & Yoshinaga-Itano, C. (2017, September). *The relationship between quality and quantity in prenatal language input to deaf or hard-of-hearing children*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Cunha, F. (2017, September). *Paying it forward: The economics of closing opportunity gaps*. Invited presentation at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Gilkerson, J., & Russo, R. (2017, September). *LENA Start™ parents show increases in parenting domains beyond those measured by LENA*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Kalil, A. (2017, September). *Paths to opportunity: Improving parental engagement and children's early learning*. Invited presentation at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Kuhl, P. (2017, September). *Early language input: The key factor in language growth and brain development*. Invited presentation at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Levtov, R. (2017, September). *Working with fathers to promote child development and gender equality*. Invited presentation at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Mandel, M., Wheeler, A., Baker, M. J., Laforett, D. R., Ledford, A., Martinez, M. I., . . . Beeber, L. (2017, September). *Enhancing early intervention children's communication with their depressed mothers: Using LENA at the crossroads of early intervention and maternal depression*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Mason, R. S., Bingham, G. R., Venuto, N., & Patton-Terry, N. (2017, September). *Look who is talking: Understanding the linguistic environments of family child care homes*. Poster session presented at the LENA Early Language Conference, Beaver Creek, CO.
- McConnell, S., Lease, E., & Elmquist, M. (2017, September). *Starting with start: Building a broad and sustainable infrastructure for research and intervention*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Mori, M., Hersey, A., Tucker, R., Vohr, B. R., & McGowan, E. C. (2017, September). *Maternal involvement as a predictor of early infant conversational turns in the neonatal intensive care unit (NICU)*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Slaterry, K., Boben, M., & Wong, K. (2017, September). *Talk to teach - Providence Talks & Brown University's early evaluation findings*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- Van Pay, C. K., & Beecher, C. (2017, September). *Closing the achievement gap through parent education and quantitative linguistic feedback: The use of LENA Start™ to improve the home linguistic environment and parental knowledge of child development*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.
- York, B. N., Loeb, S., Doss, C., Fahle, E., & Graham, T. (2017, September). *Ready4K: Evidence-based text messages for parents*. Poster session presented at the 2017 LENA Early Language Conference, Beaver Creek, CO.

2015

- Bair-Merritt, M. H., King, T., Velazquez, G., & Johnson, S. M. (2015, November). *Engaging low-income families in research using digital language processors: Acceptability and insight into language development*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Bigelow, K. M., Walker, D. T., A, Antoni, C., Petersen, S., Martinez, M., Montagna, D., & Simmons, S. (2015, November). *Project engage: Increasing parent use of child communication promoting strategies and parent engagement in home-based interventions using cellular phones*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Christakis, D. A., Medlar, A., & Atkin, C. (2015, November). *Whose job is this, anyway?* Symposium conducted at the LENA Conference 2015, Denver CO.
- Dukakis, K. (2015, November). *Weaving early brain and language development into the fabric of communities*. Invited presentation at the LENA Conference 2015, Denver, CO.
- Fernald, A. (2015, November). *How cultural differences in parenting beliefs and practices inform intervention strategies*. Paper presented at the LENA Conference 2015, Denver, CO.
- Fernald, A., Landry, S., & Vohr, B. (2015, November). *Parent-focused interventions*. Symposium conducted at the LENA Conference 2015, Denver, CO.
- Glusman, M. (2015, November). *Leyendo juntos: Pediatric literacy promotion for Latino families*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Greenwood, C. R., Carta, J. J., Walker, D., & BWG National Research Network. (2015, November). *Piloting implementation of a multi-level public health intervention to bridge the word gap*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Hammer, C. S., & Sawyer, B. (2015, November). *Integrating culture and language into intervention*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Hannon, S. M. (2015, November). *Twenty years later, what are we doing and why?* Invited presentation at the LENA Conference 2015, Denver CO.
- Hawkins, C., Risley, C., & Brown, Q. (2015, November). *LENA technology in intervention*. Symposium conducted at the LENA Conference 2015, Denver, CO.
- Hughes, D., Pettis, J., & Long, D. (2015, November). *Talking is Teaching: Talk, Read, Sing - Oakland: Early evaluation findings*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Landry, S. (2015, November). *Key ingredients of interventions targeting caregivers' language support for young children*. Paper presented at the LENA Conference 2015, Denver, CO.
- Mahoney, A. D., Head, L. M., Stapel-Wax, J. L., Fitzgerald, B., Moore, K., Weldon, A., . . . Williams, B. (2015, November). *Talk with me baby: Georgia's language nutrition strategy to bridge the word gap*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Mani, M., Wardynski, E. C., & Dichter, H. (2015, November). *Who pays for this, anyway?* Symposium conducted at the LENA Conference 2015, Denver, CO.
- Pakulak, E. (2015, November). *Early adversity and the brain: Neuroplasticity and the development of a family-based intervention*. Paper presented at the LENA Conference 2015, Denver, CO.
- Pakulak, E., Bell, T. A., Giuliano, R., Gomsrud, M., Karns, C., Klein, S., . . . Neville, H. (2015, November). *Broader implementation of a successful dual-generation intervention in partnership with Head Start of Lane County*. Poster session presented at the LENA Conference 2015.
- Price, C. (2015, November). *Experiments in scale with low-intensity early childhood program enhancements using LENA*. Poster session presented at the LENA Conference 2015, Denver, CO.

- Sissel, P. A., Connors-Burrow, N., Batchelor, L., Bokony, P. A., & McLeane, L. R. (2015, November). *Time2Talk2Baby: A study of the effectiveness of a new audio coaching app for parents*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Smith, C., Hoff, E., Harvey, P., & Garcia, J. (2015, November). *An investigation of community- and family-based language interventions: Port Salerno Talks and Martin FLIP*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Smith, R. (2015, November). *Supporting parents' success: The secret sauce for closing the achievement gap*. Invited presentation at the LENA Conference 2015, Denver, CO.
- Suskind, D. (2015, November). *Thirty million words: Building a child's brain*. Invited presentation at the LENA Conference 2015, Denver, CO.
- Valdés, R., & Kyger, M. (2015, November). *Effects of a multi-tiered language development intervention for families of toddlers and preschoolers*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Vernon-Feagans, L., & Baker, C. (2015, November). *Mother and father language input in low wealth rural families: Predictors of children's vocabulary and achievement*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Vohr, B. (2015, November). *A need for language intervention in the NICU for preterm infants*. Paper presented at the LENA Conference 2015, Denver, CO.
- Walker, D., Bigelow, K. M., Schrotberger, H., Haremza, J., Matula, E., Kuehl, S., . . . Horm, D. (2015, November). *Educare schools as a platform for bridging the word gap*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Warren, S. (2015, November). *Hart & Risley 20 years later: Perspectives and progress*. Invited presentation at the LENA Conference 2015, Denver, CO.
- Weisleder, A., Cates, C. B., Seery, A. M., Canfield, C. F., Dreyer, B. P., Mogilner, L., . . . Literacy Inc. (2015, November). *Bridging the word gap by linking pediatric preventive interventions to community level services*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Williams, B., Mahoney, A. D., Stapel-Wax, J. L., Fitzgerald, B., Moore, K., Weldon, A., . . . Head, L. M. (2015, November). *Talk with me baby: Language nutrition in the NICU pilot study*. Poster session presented at the LENA Conference 2015, Denver, CO.
- Yates, C. (2015, November). *The language gap as a public health crisis*. Invited presentation at the LENA Conference 2015, Denver, CO.
- Yaun, J., Baldwin, K. M., Hare, M. E., & Spurlock, K. L. (2015, November). *Touch, Talk, Read, Play program evaluation*. Poster session presented at the LENA Conference 2015, Denver, CO.

2013

- Abad, C., Odean, R., Costales, A. A., & Pruden, S. M. (2013, April). *Pre-kindergarten educators' spatial language use in the classroom: Using LENA to examine sources of sex differences*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Appler, K., Shapley, K. L., Yap, V., Mulkey, S. B., & Whiteside-Mansell, L. (2013, April). *An examination of the language and home environment of survivors of perinatal hypoxic-ischemic encephalopathy*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Aragon, M. A., & Yoshinaga-Itano, C. (2013, April). *Using Language ENVironment Analysis to improve outcomes for children who are deaf or hard of hearing*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Banman, A., Bellamy, J., & Guterman, N. (2013, April). *Measuring father involvement, the parent-child relationship, and risk factors in the home environment of young children*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Bergeron, J. P. (2013, April). *Using LENA to evaluate the effectiveness of parent education trainings*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Bernier, D., & Soderstrom, M. (2013, April). *Clarity of input to toddlers across childcare settings*. Poster session presented at the LENA International Conference 2013, Denver, CO.

- Bořil, H., Ziaei, A., & Hansen, J. H. L. (2013, April). *Prof-life-log: Production of conversational speech as a function of varying environment*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Burgess, S. (2013, April). *Differences in language environment characteristics of preschool-aged children with ASD in relation to child language level*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Burgess, S., Audet, L. R., & Fissel, S. (2013, April). *LENA and SALT: Complimentary technologies for characterizing school language environments of young children with ASD*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Callender, M. F., Jackson, C. W., Messier, J., & Diehm, E. (2013, April). *The relationship between maternal communication styles, socioeconomic status and child language output*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Canault, M., & Thai-Van, H. (2013, April). *Validation of the language environment analysis system in French: Data quality and associated factors*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Caskey, M., Tucker, R., & Vohr, B. (2013, April). *Language environment in a single-family room NICU*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Cassidy, K., & Dodd, T. (2013, April). *Sound start strategies: Early intervention COMPASS program for children with hearing loss steered by LENA*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Charlton, J. (2013, April). *Measuring the online communication behaviours of children identified as having emotional and behavioural difficulties using LENA*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Cook, M. R., McCauley, A. W., & Esposito, M. (2013, April). *Analysis of language learning environments of preschoolers with autism and typical peers*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Costales, A., Abad, C., Odean, R., & Pruden, S. M. (2013, April). *Examining the impact of early educator language on pre-k children's spatial thinking using the LENA software*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Coston, J. H., Jackson, C. W., Kashinath, S., & Callender, M. F. (2013, April). *CSD students use LENA to analyze language sample data across diverse populations*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- DeMesme, B., Kramer, D. G., Lopez, L., Rodriguez, L., Russell, A., & Torres, L. (2013, April). *Increasing conversational turns through shared reading*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Diehm, E., Jackson, C. W., Messier, J., & Callender, M. F. (2013, April). *Using path analysis to investigate the relationship between language input & child language quality/quantity output measures*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Ganek, H., & Eriks-Brophy, A. (2013, April). *Questions in using LENA with Vietnamese and Canadian children with hearing loss*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Gilkerson, J., Xu, D., & Richards, J. A. (2013, April). *New discoveries and ongoing research at the LENA Research Foundation*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Jackson, C. W. (2013, April). *Spanish-English speaking preschoolers: An exploratory study examining LENA data*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Jeglie, D., Palma, C., McCauley, A. W., Esposito, M., & Gothard, D. (2013, April). *A comparison of the classroom and home audio environments among siblings*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Ko, E., Reimchen, M., Cristia, A., Seidl, A., & Soderstrom, M. (2013, April). *Acoustic convergence and initiator effects in mother-infant conversational blocks*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Kuhl, P. K. (2013, April). *Building a brain: Language learning and the importance of social talk*. Invited presentation at the LENA International Conference 2013, Denver, CO.
- Magsino, K. (2013, April). *Development of language programs that promote mother tongue maintenance*. Poster session presented at the LENA International Conference 2013, Denver, CO.

- Mata, M., Thomas, J., Gothard, M. D., McCauley, A., & Esposito, M. (2013, April). *An analysis of language using standardized assessments and LENA measures over time for preschoolers with autism spectrum disorder*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- McConnell, S. R., & Bradfield, T. (2013, April). *Moving toward community-based response to intervention: LENA in a Promise Neighborhood initiative*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Messier, J., Jackson, C. W., Diehm, E., & Callender, M. F. (2013, April). *LENA output: When to proceed with caution*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Morgan, S., & Kellet, M. (2013, April). *How the LENA software analyzes synthesized speech*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Odean, R., Abad, C., & Pruden, S. M. (2013, April). *Individual differences in children's comprehension of spatial terms: Using LENA to examine influence of parent spatial language*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Pae, S. (2013, April). *An investigation of the language environment of young Korea children and the impact of feedback on language development*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Ragan, T. J. (2013, April). *Increasing infant/ toddler teachers' intentional conversational interactions*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Ramsay, G. (2013, April). *Early vocal development in infants at risk of autism: Deficits in spoken communication and social interaction*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Rand, K., Vohr, B., Caskey, M., & Johnson, K. (2013, April). *Sex differences in language development and communication between parents and their term and preterm children: A prospective cohort study with the Women and Infants preterm follow-up clinic*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Schaller, S., Wiggin, M., & Moore, S. (2013, April). *Incorporating assessment of a child's natural language environment in transdisciplinary play-based assessment*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Soderstrom, M., Simon, M., & Wittebolle, K. (2013, April). *Incorporating assessment of a child's natural language environment in transdisciplinary play-based assessment*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Stotzer, E. (2013, April). *Software and portable device to assist in Applied Behavioral Analysis (ABA) therapy for speech and language disorders*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Suskind, D. (2013, April). *A randomized controlled pilot of a novel parent-directed language intervention in children of low SES: The Thirty Million Words Project*. Paper presented at the LENA International Conference 2013, Denver, CO.
- VanDam, M., & Silbert, N. H. (2013, April). *Fidelity of LENA vocal activity labels*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Vohr, B., Topol, D., St. Pierre, L., Watson, V., & Tucker, R. (2013, April). *Language characteristics & environment of children with hearing loss at 6-7 years of age*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Walker, T. (2013, April). *Assessing the infant language environment: Parental speech variability pre- and post- intervention*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Wang, Z., & Miller, K. (2013, April). *LENA in the classroom: Using LENA to provide elementary school teachers with timely automated feedback on classroom discourse*. Paper presented at the LENA International Conference 2013, Denver, CO.
- Wiggin, M., & Yoshinaga-Itano, C. (2013, April). *Intervention efficacy: What does intervention really look like?* Poster session presented at the LENA International Conference 2013, Denver, CO.
- Xu, D., Yoder, P., Boyd, B. A., Richards, J. A., Gilkerson, J., & Oller, D. K. (2013, April). *The potential of the LENA audio-based autism screen: Comparison among three data sets*. Poster session presented at the LENA International Conference 2013, Denver, CO.
- Xu, X., Zhang, Y., Mao, H., Gilkerson, J., & Xu, D. (2013, April). *The correlation of family responsiveness with language and cognitive development in infants and toddlers*. Paper presented at the LENA International Conference 2013, Denver, CO.

Yoshinaga-Itano, C., Beams, D., Gilkerson, J., Moore, R. C., Uhler, K., Baca, R., & Wiggin, M. (2013, April). *LENA: Exploring novel approaches to language assessment and intervention*. Paper presented at the LENA International Conference 2013, Denver, CO.

Ziaei, A., Sangwan, A., & Hansen, J. H. L. (2013, April). *Prof-life-log: Robust audio environment detection for naturalistic audio streams using LENA device*. Poster session presented at the LENA International Conference 2013, Denver, CO.

2011

Ambrose, S. E., VanDam, M., & Moeller, M. P. (2011, April-a). *The role of talk in outcomes of children who are hard of hearing*. Poster session presented at the LENA Users Conference 2011, Denver, CO.

Ambrose, S. E., VanDam, M., & Moeller, M. P. (2011, April-b). *Use of AVA measures with young children who are hard of hearing*. Poster session presented at the LENA Users Conference 2011, Denver, CO.

Bořil, H., Hansen, J. H. L., Xu, D., Gilkerson, J., & Richards, J. A. (2011, April). *A longitudinal study of infant speech production parameters: A case study*. Poster session presented at the LENA Users Conference 2011, Denver, CO.

Caskey, M., Stephens, B., Tucker, R., & Vohr, B. (2011, April). *Adult-infant conversations in the NICU and language and cognitive outcomes in preterm infants*. Paper presented at the LENA Users Conference 2011, Denver, CO.

Fernald, A., & Weisleder, A. (2011, April). *How & why early experience is so crucial in learning language*. Invited presentation at the LENA Users Conference 2011, Denver, CO.

Gilkerson, J. (2011, April). *LENA Foundation early assessment achievements*. Paper presented at the LENA Users Conference 2011, Denver, CO.

Gilkerson, J., Rosenberg, S. A., Charlifue-Smith, R., Robinson, C. C., Richards, J. A., & Xu, D. (2011, April). *The LENA Automatic Autism Screen: Additional validation*. Poster session presented at the LENA Users Conference 2011, Denver, CO.

Hume, K., Boyd, B., Sabatos-DeVito, M., Dykstra, J., Irvin, D., & Odom, S. (2011, April). *An analysis of adult language in classrooms serving young children with autism spectrum disorders*. Paper presented at the LENA Users Conference 2011, Denver, CO.

Johnson, K., Stephens, B., Tucker, R., & Vohr, B. (2011, April). *Reciprocal vocalizations between female caregivers and their infants surpass young children with autism spectrum disorders*. Paper presented at the LENA Users Conference 2011, Denver, CO.

Lew, V., Morrison, H., Lasswell, D., Russell, A., Lopez, L., Rodriguez, L., . . . Sill, J. (2011, April). *An analysis of the natural language environments of children with hearing loss: The impact of home language & maternal education level*. Poster session presented at the LENA Users Conference 2011, Denver, CO.

McCauley, A., Esposito, M., & Cook, M. (2011, April). *Language environment analysis of preschoolers with autism: Validity & applications*. Poster session presented at the LENA Users Conference 2011, Denver, CO.

Moore, R. C., & Yoshinaga-Itano, C. (2011, April). *LENA as a clinical research tool: A deaf child of deaf parents comes to speech*. Paper presented at the LENA Users Conference 2011, Denver, CO.

Morrison, H., Lasswell, D., Russell, A., Lopez, L., Kramer, D., & Sill, J. (2011, April). *Building language through books: Outcomes of dialogic reading training with parents and their infants with hearing loss*. Poster session presented at the LENA Users Conference 2011, Denver, CO.

Oller, D. K. (2011, April). *LENA: Automated analysis algorithms and segmentation detail: How to interpret and not overinterpret the LENA labelings*. Paper presented at the LENA Users Conference 2011, Denver, CO.

Palermo, F., Stargel, L. E., & Gavin, W. J. (2011, April). *Spanish-speaking preschoolers' English acquisition: A study of bilingual language development using LENA*. Poster session presented at the LENA Users Conference 2011, Denver, CO.

Pullen, P. C., & Shobe, W. M. (2011, April). *Into the wild with LENA: Project SWELL*. Paper presented at the LENA Users Conference 2011, Denver, CO.

- Thomas, K. S. (2011, April). *Documenting the effects of cochlear implants and intervention using LENA: Children who are deaf-blind*. Paper presented at the LENA Users Conference 2011, Denver, CO.
- Vohr, B., Topol, D., Girard, N., St. Pierre, L., Watson, V., & Tucker, R. (2011, April). *Language in the home environment of children with hearing loss compared to hearing controls at 6-7 years of age*. Paper presented at the LENA Users Conference 2011, Denver, CO.
- Warlaumont, A. S., Oller, D. K., & Dale, R. (2011, April). *Child-adult leading and responding in LENA recordings: Quantitative measures that predict autism and other group differences*. Poster session presented at the LENA Users Conference 2011, Denver, CO.
- Weil, L. W., Middleton, L., & Leonard, L. B. (2011, April). *Exploring the LENA adult word count measure: What researchers and clinicians should know*. Poster session presented at the LENA Users Conference 2011, Denver, CO.
- Wiggins, M., Gabbard, S., Thompson, N., Goberis, D., & Yoshinaga-Itano, C. (2011, April). *The school to home link: What LENA can reveal*. Poster session presented at the LENA Users Conference 2011, Denver, CO.
- Xu, D., Hansen, J., Richards, J. A., & Gilkerson, J. (2011, April). *Preliminary study on fundamental frequency of child and adult in natural home environment*. Poster session presented at the LENA Users Conference 2011, Denver, CO.
- Zhang, Y., & Mao, H. (2011, April). *LENA in China: Shanghai Children's Medical Center to conduct first experimental confirmation of Hart & Risley correlational study*. Paper presented at the LENA Users Conference 2011, Denver, CO.

2010

- Bentler, R. A., Wu, Y., Tomblin, J. B., & Moeller, M. P. (2010, April). *Acoustic considerations in LENA protocols*. Poster session presented at the First LENA Users Conference, Denver, CO.
- Boyd, B., Hume, K., Dykstra, J., Irvin, D., Sabatos-DeVito, M., & Odom, S. (2010, April). *Examining the feasibility and outcomes of using LENA in preschool classrooms for children with autism*. Poster session presented at the First LENA Users Conference, Denver, CO.
- Caskey, M., Stephens, B., & Vohr, B. (2010, April). *Impact of language exposure in the NICU on vocalizations in preterm infants*. Paper presented at the First LENA Users Conference, Denver, CO.
- Esposito, M., & McCauley, A. W. (2010, April). *Using LENA in an integrated preschool environment with children with autism: Challenges and successes*. Paper presented at the First LENA Users Conference, Denver, CO.
- Kramer, D., Lasswell, D., Lopez, L., Rodriguez, L., Russell, A., Sill, J., & Morrison, H. (2010, April). *How LENA helps parents of children with hearing loss achieve listening and spoken language*. Poster session presented at the First LENA Users Conference, Denver, CO.
- Losh, J. (2010, April). *Conversational language skills of young children who received cochlear implants prior to two years of age*. Poster session presented at the First LENA Users Conference, Denver, CO.
- Morrison, H., Kramer, D., Lasswell, D., Lopez, L., Rodriguez, L., Russell, A., & Sill, J. (2010, April). *Variables affecting speech directed to infants and toddlers with auditory impairment in English and Spanish-speaking families*. Poster session presented at the First LENA Users Conference, Denver, CO.
